

## Manufacturer's Certification Statement

This Manufacturer's Certification Statement can be used by taxpayers to verify that certain American Building Supply Exterior Door products are eligible for tax credits identified in the American Recovery and Reinvestment Act of 2009. American Building Supply certifies that the products highlighted in black in the chart below are eligible products under Internal Revenue Code, Section 25C and meet the criteria for U-Factor and SHGC of 0.30 or below.

It is recommended that the homeowner retain the Manufacturer's Certification Statement and original purchase receipt in the event of an IRS audit. In addition, a consultation with a tax professional is recommended to address any questions and to confirm whether the product purchased qualifies for the tax credit. American Building Supply assumes no liability in regards to the customer's ability to obtain the tax credit.

Under penalties of perjury, I declare that I have examined this certification statement, and to the best of my knowledge and belief, the facts presented are true, correct, and complete.
